What do I need to start the test?

The following items are required to log into the test workstation and take the Miller Analogies Test.

- Unique Test Activation ID (Listed on the test ticket provided by the proctor, after test registration has been completed). If you have lost your Test Activation ID, please notify the test proctor immediately.
- Student Date of Birth. The required format for Date of Birth, is MM/DD/YYYY. For example, January 14 of 1982 would be 01/14/1982.
