These errors may occur if this or another PsychCorpCenter product is not up to date. Make sure the software was installed with no other applications running, and apply the latest updates.

Please do the following to update your software.
1. Go to http://www.pearsonassessmentsupport.com/support/
2. Click on the download button.
3. Choose the download product updates link
4. Choose Product Updates for 32-bit Windows .
5. Choose Wechsler products
5. Find your product in the product update list and click on the update button

http://www.pearsonassessmentsupport.com/support/index.php?View=files&CategoryID=6

6. Click on the links to download the software and install it. Choose in the order they are listed. Choose the Platform first, download and then install and then do the updates.
7. If during the installation it asks for an authorization code please call us at 800-249-0659 and we will obtain this for you.
8. Reboot your computer after the installs.

Please note that when you are prompted to remove or repair, choose repair - removing the software would completely uninstall the program from your PC.
