

# How do I select Canadian norms?

## Frequently Asked Question:

How do I select Canadian norms?

## Resolution:

The WISC-IV Canadian Scoring Assistant installs in the PsychCorpCenter platform. If you already have a WISC-IV product installed, you will not see a difference in the software. Do the following to access the Canadian norms.

1. Open PsychCorpCenter.
2. Click Reports.
3. Choose the examinee from the list.
4. Click Next.
5. In the lower left corner of the window, the Country Norms dropdown appears. Click Canada from the list.
6. Click Preview.
