

Cannot install : Error 107, Unable to locate Script File

Error Description:

Error 107, Unable to locate Script File

Resolution:

Please make sure that all background programs are closed. It is also possible that you will need replacement disks. Please contact the Technical Support Center for replacements by email at esupport@pearson.com, or by Fax at 800-232-1223.

The SAWS A is no longer available for purchase. Support for this software will continue for computers that fall within the parameters of the system requirements. For a list of system requirements please see the article in this section titled "System Requirements"
