

Examinee has reversed to the appropriate item set but is unable to correctly answer any of the questions

Frequently Asked Question:

Examinee has reversed to the appropriate item set but is unable to correctly answer any of the questions?

Answer:

It is appropriate to use your professional judgment when a student is obviously unable to perform and test rapport is at risk. Be careful not to discontinue based on the performance on the first passage. Some students will be able to earn points on the Reading Sentences Aloud items that follow passages as these items are brief and are read aloud.
