

Feature transfer error, NewMergeModuleHolder Object1 File Error

Error Description:

Feature transfer error, NewMergeModuleHolder Object1 File Error

Resolution:

The errors indicate that Sensory Profile Select did not install smoothly. Follow these steps to reinstall the software:

Close all open applications before proceeding

Please do the following to resolve your issue.

1. Go to <http://www.pearsonassessmentsupport.com/support/>
2. Click on the download button.
3. Choose the download product updates link
4. Choose Product Updates for 32-bit Windows .
5. Choose Other products
5. Find Sensory Profile Select in the product update list and click on the update button.

<http://www.pearsonassessmentsupport.com/support/index.php?View=files&CategoryID=61>

6. Click on the link to download the software and install it.
7. If during the installation it asks for an authorization code please call us at 800-249-0659 and we will obtain this for you.
8. Reboot your computer after the installs.

Please note that when you are prompted to remove or repair, choose repair - removing the software would completely uninstall the program from your PC.
