

Error 2738. Could not access VBScript run time for custom action.

Error Description:

Error 2738. Could not access VBScript run time for custom action.

Resolution:

This error message indicates that the VBScript engine is not currently registered.

The VBScript engine can be quickly registered by following these steps:

1. Run Command Prompt as administrator
 - 1.1 **Start Menu | All Programs | Accessories**
 - 1.2 Right click on Command Prompt and select Run as administrator
2. If you are using 32-bit version of Windows:
Type `cd %windir%\system32` into the Command Prompt and hit Enter

If you are using 64-bit version of Windows:
Type `cd %windir%\syswow64` into the Command Prompt and hit Enter
3. Type **regsvr32 vbscript.dll** into the Command Prompt and hit Enter
