

The value of the Raw Score is not inside the Value Range

Frequently Asked Question:

The value of the Raw Score is not inside the Value Range

Answer:

This message appears on the Raw Scores window when a raw score is entered before specifying an item set. It may also appear when the raw score value entered is greater than the maximum value allowed for the chosen item set.

In order to proceed, do the following.

- Delete the raw score in question.
- Verify that the correct item set is selected.
- Re-enter the correct raw score.
