Produce a narrative report with areas of strength/weakness and synthesis of the scores

Frequently Asked Question:

Is it possible to produce a narrative report with areas of strength/weakness and synthesis of the scores

Answer:

The D-KEFS software is a Scoring Assistant only and can be used to produce a statistical (Tables and Graphs) report. The Scoring Assistant does not include a Narrative (Interpretive) report option.

To generate a report

- Select an examinee in the Examinee List.
- Select an assessment for the selected examinee in the Assessment List.
- Click the Preview button. The Report Preview window appears.
