

How to find the Palm Operating System

Frequently Asked Question:

How to find the Palm Operating System

Answer:

Do the following to find the version of the Palm Operating System you are using.

- Using the stylus, tap the time in the top left hand corner. This will access a system menu.
- Tap or select "Info".
- Tap or select the option at the bottom that says "Version".

The Sensory Profile is no longer available for purchase. Please update your software to the enhanced Sensory Profile Select Scoring Assistant.
