

Cannot choose Canadian norms in WAIS-III WMS-III WIAT-II Scoring Assistant software

Frequently Asked Question:

I cannot choose Canadian norms in WAIS-III WMS-III WIAT-II Scoring Assistant software

Resolution:

If you have the WAIS-III WMS-III WIAT-II Writer with United States norms and the WAIS-III Canadian Scoring Assistant installed on your system, you will not be able to create a narrative report from the WAIS-III WMS-III WIAT-II Writer software using WAIS-III Canadian norms. You will still be able to create a Tables and Graphs report with scores and graphs from the WAIS-III Canadian Scoring Assistant report. The WAIS-III Canadian software is a Scoring Assistant only and it does not include a norms table for the Writer report.
