

# NEPSY-II Training / Audio CD-ROM disc has missing audio files

## Frequently Asked Question:

NEPSY-II Training CD-ROM disc has missing audio files

## Answer:

The audio files are located on the Training CD. You can access the file using a CD player or a computer drive. Follow these steps to access the files:

CD player will show three tracks available for play:

- Track 1 is Auditory Attention.
- Track 2 is Response Set.
- Track 3 is Repetition of Nonsense Words.

Computer drive will allow accessing the files in three ways:

- Play the tracks through a media player.
- Use the file folder selection process and select the folder labeled audio and select the track you need.
- Access the tracks through links in the Training CD. Select the Index and click on Auditory Attention and Response Set or Repetition of Nonsense Words and then click the link to the audio file.
