MODMAINFIXPRODUCTNAME: -2147217900 error line 6, invalid sql statement expected delete

Error Description:

MODMAINFIXPRODUCTNAME: -2147217900 error line 6, invalid sql statement expected delete
Error -2147217900 - line 6 description invalid SQL, expected delete, insert, procedure, select, or update

Resolution:

The error indicates that the WISC-IV Integrated Scoring Assistant did not install correctly. Use the program Repair or Remove tool to correct the installation. The Repair function is a new tool that lets the user restore the installation without uninstalling and reinstalling the software. Remove will remove all installed features. If you are unable to reinstall, run the Remove tool first, then reinstall.

As an alternate fix to this error you can down load the most current updates from our website at www.pearsonassessmentsupport.com Home / Downloads / Download Product Updates and choose Wechsler Products or Other Products. Note: The PsychCorpCenter Platform must first be installed before attempting to install the product updates.

Click on the link below to be directed to the WISC IV Integrated Scoring Assistant update for 32 bit OS.
