

Can I prorate Q scores with some of the subtests.

Frequently Asked Question:

Can I prorate Q scores with some of the subtests.

Answer:

This program will not prorate IQ scores from subtest category scores. For best results with the product, be sure to enter complete score information for a complete report.

The SAWS A is no longer available for purchase. Support for this software will continue for computers that fall within the parameters of the system requirements. For a list of system requirements please see the article in this section titled "System Requirements"
