

When both scores are entered, the sum of the RS Total Correct plus RS Total Omission must equal 36

Error Description:

When both scores are entered, the sum of the RS Total Correct plus RS Total Omission must equal 36

Resolution:

Subtest: Auditory Attention and Response Set

This error message occurs when the total number of RS Omission errors and the RS Total correct do not equal 36. When added together, they must both equal 36 in order to continue.

Commission errors and Omission errors are not inclusive and must be entered independently.
