

Tower Test Item 9

Frequently Asked Question:

On the Tower Test Item 9, the minimum number of moves is 26, but received a report that stated 23 total moves with 2 Rule Violations. What should the achievement score be?

Answer:

For DKEFS, the correct response can not be reached in 23 (or 25 if the rule violations were additional moves) moves. This would be considered a failed item and assigned a score of 0.
