

Behavior Observation Inventory is missing

Frequently Asked Question:

Behavior Observation Inventory is missing

Answer:

The Behavior Observation Inventory must be manually entered after an assessment is synced down to the PC. Follow the instruction below.

Entering Behavioral Observations:

1. Click the Behavior Observation Inventory tab window from the Administrative Information window.
2. Select the appropriate observation rating for the examiner and/or caregiver from the corresponding drop-down boxes. The rating options are: 1- Rarely or Never; 2- Some of the time; 3- Most of the time. Then, press Tab your keyboard to navigate from top to bottom.
3. When finished entering the observations, click Save on the toolbar to save your changes.
