

We were unable to verify this credit card account. Please try another credit card or contact your credit card company for further assistance

Error Description:

We were unable to verify this credit card account. Please try another credit card or contact your credit card company for further assistance

Resolution:

This is universal error message, most likely due to declined card. The examinee may try another card. It may also be due to a issue with the credit card servers. You may want to try again later.
