

# Can this be Installed on Win 98? Is it Windows XP compatible

## Frequently Asked Question:

Can this be Installed on Win 98? Is it Windows XP compatible?

## Answer:

MHS Inc Technical Support indicates that the Conners' Continuous Performance Test - Second Edition, Computer Program for Windows (CPT-II) will install on Windows 95, 98, NT, ME, 2000 and Windows XP. Conners Technical Support states the DOS version of this product will not run on Windows 98. Any questions regarding technical support can be directed to the contacts listed below.
