

Do I need Training and if so, what are my options?

AIMSweb subscriptions include access to all necessary implementation guides and manuals. However, we recommend professional development for an easier, speedier, and more successful implementation. Options include: 1) Private Onsite Training packages that range from two days to year-long implementation and coaching packages 2) Open Workshops (2 days - hosted at various locations around the country) 3) Online Training (self-paced)
