

Error exporting large dataset to Excel: Runtime error '94': Invalid Use of Null

Error Description:

Runtime error '94': Invalid Use of Null

Resolution:

Error exporting large dataset to Excel: Runtime error '94': Invalid Use of Null:

This error may happen when trying to export data to Microsoft Excel. This error is associated with exporting a large dataset with more than 100 cases in the database.

That this is a known issue and a fix should be available later. There is no ETA for the fix at this time. We suggest that you use smaller datasets of less than 100 in each group.
