

Error 70 Line number 0 permission denied; error: 2147217911 line 0; cannot update database or object

Error Description:

Error 70 Line number 0 permission denied; error: 2147217911 line 0; cannot update database or object

Usage Database must use an updateable Query

Jet Engine Database Must use an updateable Query

Resolution:

This error is received when you do not have enough rights to the install folder. Please contact your technology department, and have them change the permissions of the install folder. You will need to be granted Full Control to the folder that the software was installed to and all sub-directories.

The default install location is C:\Program Files\Sensory Profile Select.
