

How much time does it take to complete the benchmark tools?

The benchmark tools are designed to be quickly administered and completed. The BESS Teacher Form is 27 items, and is completed in about 3 to 5 minutes (the first few forms completed by a teacher can take up to 5 minutes, and the remaining forms are typically completed more quickly, in about 3 minutes each). The Student Form is 30 items; administration (student filling out form) in a classroom typically takes about 15 minutes. The Prosocial Behavior and Motivation to Learn forms each require one rating per student; a classroom of students can typically be rated in about 20 minutes.
