

16PF reports are missing in QLocal 2.8+

Several of the 16PF reports have been renamed in Q Local version 2.8+ and '5th Ed' has been removed from the names:

- The "16PF 5th Ed Basic Score Report" is now the "16PF Profile Report"
- The "16PF 5th Ed Basic Interpretive Report" is now the "16PF Interpretive Report"
- The "16PF 5th Ed Human Resource Development Report (HRD)" is now the "16PF Management Potential Report (MPR)"

The product codes for those reports are unchanged and the customer's inventory should reflect the name change.
