THREED.VBX file out of date in; ignore or cancel

Error Description:

THREED.VBX file out of date in; ignore or cancel

Resolution:

This message will appear while installing program and wanting to overwrite an existing file called {THREED.VBX} file date of 04-28-1993. Continue installation which will replace the file (this may affect other programs on system). If the message appears when starting CVLT-C Scoring Assistant, check to see if {THREED.VBX} has file date of 04-28-1993. File may have changed because of another software installation.
