

Report does not show the scores

Frequently Asked Question:

Report does not show the scores

Answer:

Create the CVLT-C Scoring Assistant report:

- Begin in the software with the examinee data and scores entered.
- Click Window and select Score Report.
- A report with raw scores will be displayed. Click the print button to print the report.

The CVLT-C Scoring Assistant report shows the following:

- Raw and Standard Scores for Key CVLT-C Measures
- Main Test Results with Correct Total, Categories, Semantic Cluster, Serial Cluster, and Perseverations/Intrusions
- Supplementary Test Results
- Trial Responses

CVLT-C Scoring Assistant does not have options to edit the report within the software or to save the report for later editing with your Windows word processor.
