

Can the client file be saved and modified later?

Frequently Asked Question:

Can the client file be saved and modified later?

Answer:

Once the demographics are entered, the user can begin to enter the data on the Trial Responses screen. At any time, the user can click the File menu from the Trial Responses screen, then click the Save option. The file will be saved under the client's name, and can be retrieved for further modification by clicking the File menu, and choosing the Open option.
