How are scores entered

New Assessment Entry window: The New Assessment Entry window consists of an Assessment Information tab, a tab for each trial of the CVLT-II Standard Form, Alternate Form, or Short Form test, and an Intrusions tab.

 To enter new assessment responses:

- Complete the required information in the Assessment Information tab.
- Click each tab and type the examinee response or select from the drop-down list. Correct responses will appear in black type; intrusions will appear in red type.
- For the Yes/No and Forced Choice tabs, select an option for each entry. Correct responses will remain black; incorrect responses will turn red.
